

THE BRIGHTON AND HOVE

ASTROLOGY CIRCLE

Affiliated to the Astrological Association of Great Britain

Aim: We are a non profit-making group devoted to promoting a wider appreciation of astrology in today's world by bringing together professional astrologers, hobby astrologers and students. We offer talks discussions and like minded friendships.

Time and Place: The first and third Wednesday of the month 7.45-9.15 pm, at The Cornerstone Community Centre Hove. All welcome. Cost £6 and £4 for members.

Membership: The yearly membership fee is £12. Membership can be taken out at any time during the year. This can now be purchased and renewed via our website.

Astrology Day: Our successful Saturday Astrology Days offer repeats of talks by local astrologers with time for questions and discussion. The next one will be on March 7th (programme to be announced).

SPRING PROGRAMME 2015

January 7th 2015

Sue Merlyn Farebrother DFAstroIS, MA

Sue is a London-based professional astrologer and Tarot consultant with 25 years' experience who teaches for the Faculty and other London schools. She recently published the book 'Astrology Decoded'. See www.suemerlyn.com

Chart Imbalances Explored and Explained

Sue will be discussing missing elements, unaspected planets, chart shapes and other often overlooked features in natal charts. Come and discover more about your own natal chart!

January 21st 2015

Pam Carruthers

Pam is a professional Vedic and western astrologer with an international clientele. She teaches astrology and is a spiritual life coach and trainer based in Hove. Her website is www.healingstars.com.

Venus and the Goddess- The Gates of Initiation

Pam will look at the Venus Synodic Cycle and its connection with the myth of Inanna, the Queen of Heaven and its relationship with the 7 chakras. Bring your chart along to discover more about your Venus story.

February 4th 2015

Neil Spencer

Neil is the former editor of the NME music newspaper, a journalist and author of 'True as the Stars Above'. For several years he wrote horoscopes for the Observer magazine. He now publishes a monthly column on his website www.neilspencer.com

Politics in the UK

Neil Spencer looks at the prospects and horoscopes of the political leaders and parties vying for election on May 7th, along with the various 'birth charts' for the United – or should that be Disunited – Kingdom!

February 18th 2015

Jaki Miles-Windmill DF.AstroI.S

Jaki is a Brighton based professional astrologer who specialises in Shamanic astrology and Astro-Drama workshops. She is also a member of 'The Circle of Astrologers' who are at Glastonbury Festival every year. <https://astroshamanics.wordpress.com>

Creativity in the chart

Jaki will look at the potential creativity innate in the birth chart and the nature of its manifestation in expression. Her lecture will include some examples of contemporary and historical 'creatives'.

March 4th 2015

Faye Cossar, MA.

Faye is professional psychological astrologer with over 25 years' experience. She runs the Amsterdam school of Astrology in the Netherlands. In 2004 she got the MA in Cultural Astronomy at Bath Spa University.

Her book: "*Using Astrology to Create a Vocational Profile: Finding the Right Career Direction*" was published in May 2012. See her website www.fayecossar.com

Ceres: Pluto's Mother-in-Law

Now Ceres is on an equal footing with Pluto, should we use her in our work? Faye will look at the astronomy, history and the myth of Ceres and her relationship with Pluto.

Saturday 7th March

10.00 – 4.00 approx

Astrology Day – programme to be confirmed.

18th March 2015

Christine Chalklin

Christine is a professional astrologer, motivational coach, tarot consultant, Bach flower essences and business development consultant. She is a tutor for the Mayo school of Astrology and a Council member of the UK's Astrological Association. Her website is www.RestyleYourLife.co.uk

Dante Gabriel Rossetti- A tale of love, passion and tragedy

The artist and poet Rossetti was a member of the Pre-Raphaelite brotherhood formed in 1848, the year Neptune was discovered. This talk covers Rossetti's relationship with his wife and also includes the famous designer William Morris and his wife, who was Rossetti's mistress.
